## **General Physics Corporation's Energy Services Group Becomes Certified IACET Authorized Provider**

**Elkridge, MD. January 5, 2010** –Global performance improvement solutions provider General Physics Corporation (GP), the operating subsidiary of GP Strategies Corporation (NYSE: GPX), announced today that its Energy Services group has been certified by the International Association of Continuing Education and Training (IACET) as an Authorized Provider.

The IACET certifies learning providers who meet or exceed their stringent continuing education standards. As a result, students will have the opportunity to enhance their knowledge and further their professional development by earning continuing education units (CEUs) and Professional Development Hours (PDHs) through selected GP instructor-led and web-based courses. CEUs and PDHs can be used towards degree programs and professional certifications.

Mr. Joe Nasal, Senior Vice President for GP Energy Services stated “With GP’s IACET Authorized Provider status, our clients can be assured GP’s design, deployment and delivery processes are thoroughly vetted and meet the ANSI/IACET 1-2007 standard.”
